

Professional Glass and Dishwashing Machine "Silver 1300L"

Bar code: 7880
Item number: EB 7880

- The professional hood-type dishwashing machines from the "SILDER" series offer a wide range of models — from a mechanical version, which can be equipped with various options, to models with the latest electronics that already include all available functions.
- Our products have evolved over time thanks to the combination of our expertise and the experience of our customers.
- We are able to offer custom-made products that meet the end users' needs for practicality, reliability, and versatility.
- We have focused on saving energy, water, and chemicals — which not only lowers costs for the end user but also reduces environmental pollution and resource waste.
- Washing duration (3 cycles): 50/120/180 seconds
- Rinse pump: 550W

SPECIFICATION
